Subject: A Heartfelt gratitude for Your Generous Gift to Build St. Paul's Primary School's One Classroom

Dear St. Thomas' Parish Congregation,

Our hearts are full of gratitude and praises to God for your extraordinary generosity. Your recent donation of **\$6,000** is a profound blessing and a significant milestone in our campaign to build **St. Paul's Primary School** in The Episcopal Diocese of Ayod.

With this gift, we will be able to complete the construction of one classroom with concrete bricks and 50 children out of over 380 children at St. Paul's Primary School, providing them not only with quality academic education but also with solid, Christ-centred instructions. This school will be a place where young minds will be disciplined, leaders will be raised, and the light of the Gospel will shine brightly now and for generations to come.

With this therefore, we wanted to let you know that we continually lifting you and your ministry/family in our daily prayers, asking the Lord to bless you abundantly for your commitment to this vision.

We will keep you posted on the progress as the work of construction commence and hope to have you join us for the dedication of the classroom when it's completed next year 2026

Thank you again for partnering with us in furthering the kingdom of God and its work. May God richly reward your faithfulness.

In Christ's Service,

+Rt. Revd. Thomas Tut Gany

Diocesan Bishop of Ayod - The Episcopal Diocese of Ayod
